7. **QUALITY SIFT**

A QUALITY SIFT COMMITTEE WILL DETERMINE THE ELIGIBILITY OF ALL LIVESTOCK ENTRIES. All market and breeding animals, rabbits, and poultry brought to the show must be of sufficient quality to show. As the animals are presented for weigh-in or check-in they will be reviewed by a sift committee. The sift committee will determine if the animal is fit for competition and that the animal meets the weight requirements specified in the rules. Animals may be sifted based on condition, evidence of disease or injury, or for not meeting the weight requirements. All sifted animals must be removed from the premises. The sift committee will made of three (3) or four (4) individuals selected by the Burnet County FFA & 4H Livestock Show Board of Directors.

8. **EXHIBITING LIVESTOCK AND POULTRY**

Livestock must be in the constant feed and care of the exhibitor by ownership and validation date for that species.

It is the responsibility of the exhibitor to show his or her animals. The Livestock Show Board of Directors may consider exceptions to this rule, such as illness, death, or other good cause. If an exhibitor has only one

(1) entry in a class, that exhibitor must show his or her animal, without exception. If a substitute exhibitor is needed a Substitute Exhibitor Form must be completed and approved by the Superintendent and 2 other board members. This form must be turned in to the show office one hour before the show. See list of approved substitution reasons at Premium Sale Rules and Regulations, Rule 4. A substitution form is NOT required when the exhibitor has 2 animals in a class and an exhibitor is needed for the 2nd animal. No complaint or protest, on the grounds that an entry was overlooked, will be considered. Once judging of a class has begun, no entry may be brought to the show ring. If the exhibit is not judged, the exhibitor forfeits his right to enter that unit in the premium sale. Failure to comply with this requirement will forfeit entries to the Burnet County FFA and 4-H Livestock Show.

9. **PREMIUMS**

Prize money will be distributed to top placing animals in each livestock, rabbit, or poultry class. Premium amounts are specified in the Division rules. Individuals may exhibit no more than two (2) entries in each class.

Decisions regarding protests will be made by majority vote of the Board of Directors.

Classification for all species will be based on guidance provided by Houston Livestock Show as interpreted by the classifiers"
